

# HAPPY BIRTHDAY TO ME

*Posted on March 22, 2024 by admin*

Friday, July 03, will be my birthday. I've never posted this information in all the years that I've been placing recipes on the Internet. But, someone finally asked, so here it is.

Thank you in advance for your Birthday wishes. They are greatly appreciated.

Please don't hold it against me for not replying, but do know that I will always be grateful for your support of our recipes here on Taste of Southern, and for you being a subscriber to our weekly Newsletter.

I am truly blessed to have your friendship. Thank you again.

Be Blessed!!!  
Steve
